AVERAGE # OF BRIDESMAIDS IN A U.S. WEDDING PARTY

\$1,200

AVERAGE COST OF BEING A BRIDESMAID IN THE U.S.

Unless there is good reason not to, most bridesmaid parties include both **the bride's and the groom's sister(s)**.

Make sure the chosen bridesmaids are **financially stable** (or you are financially able to help them with the cost).

You'll want **responsible people** as part of your wedding party as there are many duties associated with being a bridesmaid. Read about some of them **here**.

If you have someone you're close to but isn't financially stable or responsible enough for a bridesmaid position, **here are some alternate roles** to consider giving them.
